God Is Blessing Us

Greetings from your Pregnancy Care Centers! It remains our privilege to serve our clients and their children with the good news that Jesus is their Savior.

God continues to bless our efforts as only he can. Our Flint Center has been able to offer consistent Bible study opportunities and has received requests for study every week. The Lord working through his word has also resulted in nine baptisms so far this year. Praise God!

God has blessed our Saginaw Center with two new mentors. These servants of the Lord will allow more opportunities to serve with the Lord's word. Both our centers are always in need of more receptionists, help-liners, and mentors so that we have more opportunities to share the gospel. Please prayerfully consider whether this might be a way you too can serve the Savior.

Visit Us

Our Saginaw Center is offering an open invitation to area pastors to stop by and visit during open hours. It would be a privilege to show you the center's ministry in action. Please call the helpline to let us know when you're coming.

A Special Blessing and a Special Request

The Flint Center received the generous donation of a dozen cribs. We are now actively seeking mattresses to accompany those cribs so that we can give them to those clients in need of one. If you are willing to support this effort, please reach out to Flint Director Barbara Yehle at (810) 252.5864.

Financial Update

We are always thankful for the support our area congregations and members provide, recognizing that it is your generous support that allows us to carry out the work we do. This year, we have received about \$15,500 in donations. This is slightly lower than the last two years where by the end of June we had received \$18,748 (2016) and \$16,104 (2015). Please consider our work as you consider your offerings to the Lord.

Careful budgeting and faithful stewardship have allowed us to maintain a positive balance sheet over the last twelve months. We are operating about 14% under budgeted amounts and have reduced our LACE loan for the Flint Center to about \$36,000 (down from \$51,000 a year ago.) It is an amazing blessing that we are able to operate two centers on a relatively modest budget. Thank you for your continued prayers and support.
